

Extended Care
Divine Peace Lutheran School
2023-2024

Wrap around care at Divine Peace provides a safe, caring environment for students who need to be at school before classrooms open at 7:45 AM or who need to remain at school past 3:45 PM, after the regularly scheduled pick-up time has ended.

Morning Care

Morning care is provided from 7:15 AM until 7:45 AM, free of charge. Students should enter the school building using the rear doors. Parents may walk their child up to the door or they may wait in their car for the morning care teacher to admit their child into the building and to give them a wave before leaving.

After Care

Aftercare services are offered from 3:45 PM until 6:00 PM, Monday-Friday, school days only. **On early release days (12:30 PM), there is no aftercare service provided.** Children should be picked up from aftercare through the rear doors (the same doors entered for morning care). Parents should park in the rear lot and walk up the sidewalk. Our aftercare teacher will make sure your child is ready to go and will allow him/her to pass out the doors to you.

The charges for aftercare are as follows:

- \$250/month (September-May) for one child, unlimited use, **OR**
- \$300/month (September-May) for two or more children, unlimited use, **OR**
- \$20/**per time** (August-June), **per child, no limit on charges**

***Late, after hours pick-up** will be assessed a flat \$20 late fee + \$1/minute late fee beginning at 6:05 PM. On early release days when no aftercare service is provided, these same late fees will be applied beginning at 12:45 PM. On school evenings when school events are held, please be aware that aftercare services end at 6:00 PM. There is no extension of services past that point. If you choose not to pick up your child because you are attending the event, you will be assessed the after hours pick-up late fees.

In an effort to make it easier and more timely for families to determine their needs for aftercare services, a Google form will be emailed the last Friday of each month, August-April. On this form, each family should mark their designated choice for aftercare service for the upcoming month. The "reservation" is due by the end of the school day on the following Friday. This allows for more up-to-date billing information. If no choice is officially requested by the due date, the default choice assigned is per time use.

After care charges will be billed through Blackbaud Tuition Management. Charges will be billed according to use. For those opting for the monthly unlimited use, charges will be added on to Blackbaud accounts on the first Friday of the month. For those opting for the per time use, charges will be added on to Blackbaud accounts on the first Friday of the following month.
